Soaring above: Qantas.

WINGS OF COMFORT AT ALTITUDE

From the moment you step on board a Qantas aircraft, you're welcomed by comfort and luxury. The meticulously designed cabins, plush seating, and ambient lighting create an atmosphere that allows passengers to relish the joy of the journey.

CULINARY DELIGHTS ABOVE THE CLOUDS

In the heart of every memorable journey lies the joy of gastronomy. With menus curated by world-renowned chefs, passengers are treated to a symphony of flavours.

LOUNGES: EXCLUSIVE PRE-FLIGHT HAVENS

The Qantas experience doesn't commence at take-off; for First, Business, Premium Economy and Qantas Club (and some oneworld) passengers, it begins in the comfort of the lounges. From elegantly designed interiors to a myriad of amenities including spa services, premium bars, and delectable buffets, Qantas lounges transform the typically mundane pre-flight hours into a part of the journey to be savoured.

BEYOND THE HORIZON: INNOVATION AND SUSTAINABILITY

Qantas is at the forefront of exploring eco-friendly aviation practices, endeavouring to reach net zero carbon emissions by 2050 - with the largest airline offset program in the world - and providing plant-based dining options for those who desire it. By investing in next-gen aircraft and researching sustainable fuels, Qantas is shaping a future where travel isn't just luxurious but also responsible.

THE QANTAS CREW: AMBASSADORS OF HOSPITALITY

Airlines are not just about aircraft and lounges; they're about people. The Qantas crew exemplifies hospitality in its purest form. With warmth in their smiles and readiness in their assistance, they ensure passengers feel like welcomed guests on every flight.

STRETCH OUT IN PREMIUM ECONOMY - AIRBUS A380

DRIFT OFF IN BUSINESS CLASS - AIRBUS A380

"In the realm of aviation, where comfort and convenience are coveted more than ever, one airline stands tall with an unwavering commitment to reconnect the world - Qantas."

AN ONGOING ODYSSEY

In its unwavering commitment to reconnecting the world, Qantas has been making waves by elevating its international capacity. Among the jewels in Qantas' expanding crown is the illustrious Auckland-New York route, a triumphant addition that commenced in June 2023. The route's soaring popularity has prompted the airline to amplify

its offerings, transitioning from three flights per week, to four, with an eventual daily frequency from August 2024. Spring and summer travel enthusiasts are in for a treat, as Qantas prepares to launch its eagerly awaited Wellington to Brisbane route on 29 Oct 2023.

QANTAS NETWORK

Qantas fly to more than 90 destinations, and over 1,300 destinations worldwide with their partners.
